to families displaced by disaster or conflict

Thousands of families are forced from their homes every day by wars, conflicts and natural disasters. ShelterBox is working to change this. By providing emergency shelter and tools for displaced families, we're transforming despair into hope.

HOW IT WORKS

Make an impact. For every home sold, realtors across the US are donating to ShelterBox at varying levels to provide emergency shelter and life-saving supplies including solar lights, mosquito nets, water filters, blankets, and cooking supplies to families who have lost their homes to disaster or conflict.

"Nine in ten millennial's would switch brands to one associated with a cause."
