A GIFT WITH IMPACT

To: _____ From: _____

This gift of a cook set means families like Rihanata's can come together for family meals restoring a sense of normalcy.

A gift has been made in your honor that will help provide hot meals to families who have lost their belongings to disaster or conflict.

A simple cook-set is a staple in most households and for displaced families like Rihanata's, who've fled violent conflict, it is essential to recovery. These pots and pans mean Rihanata will be able to bring her family together to share hot meals.
