

"The tarpaulin alone that comes with this kit will be a life saver for us. We have not been able to get back on our feet after the earthquake, so it's nice to receive some help when it comes."

A GIFT WITH IMPACT

To: _____ From: _____

The gift of a Shelter Kit provides families like Adeline's with the essential tools and materials needed to rebuild their lives.

A gift has been made in your honor that will enable families to repair or rebuild a damaged home so they can stay together and on their own property after disaster strikes.

For Adeline, a mother of six whose home collapsed in the recent Haiti earthquake, these basic tools and tarps will provide everything she needs to rebuild her home and keep her family together after the chaos of yet another disaster.
