A GIFT WITH IMPACT

To: _____ From: _____

This gift of warmth will help displaced families like Umm's survive exposure to harsh winter weather.

A gift has been made in your honor that will provide warmth to a family after a disaster in areas where nights can get cold and staying warm is essential to survival.

For a Syrian mother like Umm whose family fled the violence with little more than the clothes on their backs, a cozy blanket or snuggly baby onesie means her children will be protected against the long and bitter cold of a Syrian winter.
