

ShelterBox

AMBASSADOR FIELD EXPERIENCE

ECHO, OREGON
SEPT 8-10, 2023

Join Us!

You're invited to participate in ShelterBox's Ambassador Field Experience. S.A.F.E is a unique and immersive mock deployment training program designed to help you learn more about ShelterBox through real-life scenarios that Response Team members encounter in the field.

Over this three-day experience, you'll develop a better understanding of ShelterBox's mission, our aid and equipment, and the critical role you play as a supporter. You'll also leave with a personal ShelterBox story to help elevate your fundraising efforts.

WHAT TO EXPECT:

- Refine your ShelterBox elevator pitch.
- Set up a Shelterbox Family Relief Tent.
- Direct access to Response Team members.
- First account stories from deployments.

This opportunity is exclusive to ShelterBox volunteers and supporters. **Spots will fill quickly.**

Register today!

YOUR MISSION

The mythical country of Cascadia has been hit with a disaster. Your team must complete training exercises, simulating what ShelterBox Response Team members experience when providing emergency shelter.
